INTRODUCTION

Game Events

Areas:

The Church in the City called Vinia. This is the Place where the Game starts. There you will fight the evil wizzard and the princes has been kiddnaped by the dragon.

The Forrest. After the Cat scene you have to cross the forrest. In the Beginning, the Forrest is good minded. After a while and after a few battles the Forrest is getting more scary and dark.

The Evil Castles Danguion. After you passed the forrest you will get to the Dungeon of the evil Dragon. There you have to fight through a couple of Evil Archer Trolls and face the dragon himself.

The Castle of Vinia. The last Cat scene. Vodar and Sarah finally got married in the Castles Church.
